Mr. [ ] O/DDA  
4E 27 HQ

Deputy Director for  
Administration

This is in response to  
Review Staff 75-2848/a which  
requested "Fitness Reporting in  
CIA, 1947-69." In Appendix K  
there has been minor sanitizing  
to protect those under cover.

In light of the reproduction  
problems, we have not furnished  
a separate copy for DDA, assuming  
that they can share a copy with  
[ ] in this instance.
